CHAPTER 234

NAKABA SUZUKI

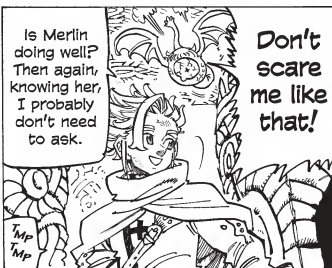

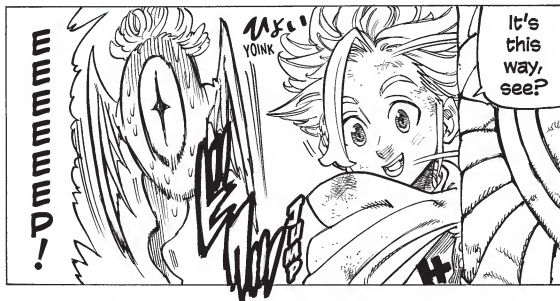

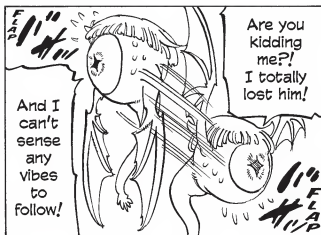

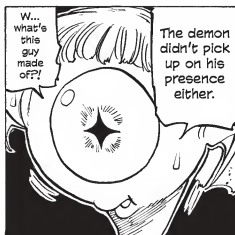

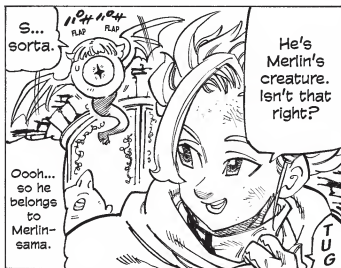

H...hey!
Wait
up!!

You sure
talk big for
being an
eyeball.

I am the
great
Oriondi-
sama!

HEH
HEH.

I was born
from the
mother of
chaos and
am of royal
vampiric blood.

RRRRUMBLE

You have no right
to talk to me
like that, cat!
And what's a cat
doing talking in
the first place?!

I DON'T
NEED AN
EYEBALL
TELLING
ME WHAT
TO DO.

Knock
it off,
Cass.

Well,
he
thinks
he's the
shit.

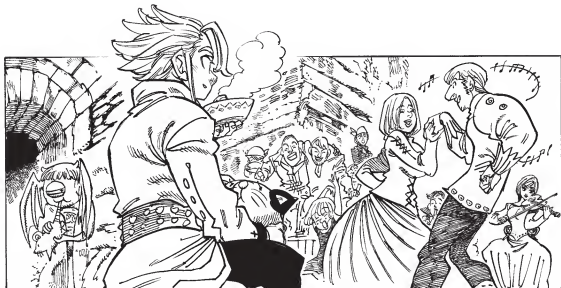

You there,
cat!!
You big
round one!
I heard
that!!

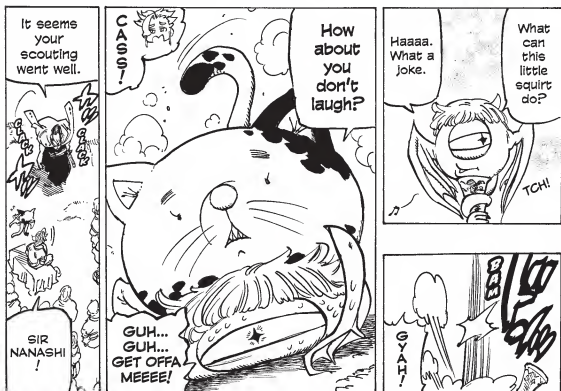

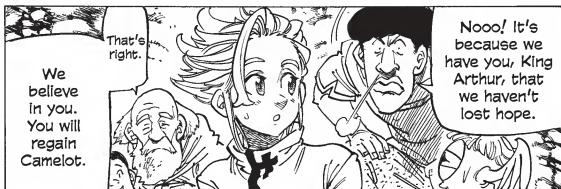

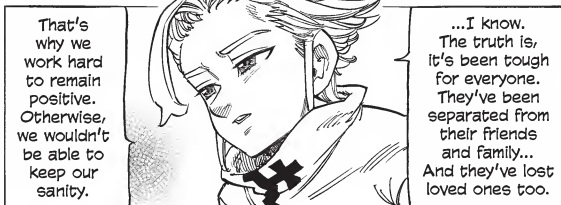

THEY'RE
NOT
TALKING
TO YOU.

That's
not a bad
idea.

As a
matter
of fact...
I'm
starving
!

Anyway, you
must be tired.
King Arthur,
dinner is
ready.

And I had the opportunity to take out twice that amount.

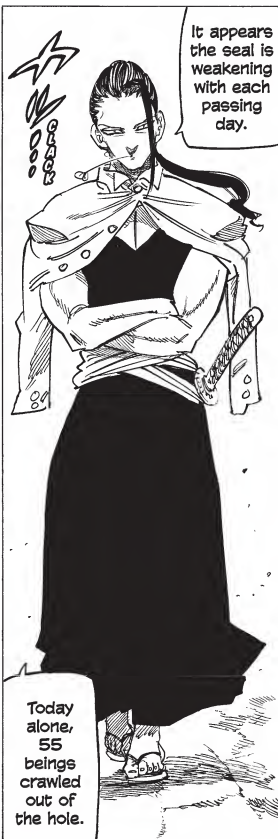

Hmph
...

And it's all thanks to your teachings, Sir Nanashi.

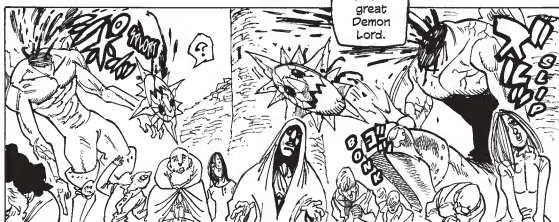

Yep!

Well done, Arthur. You've come along way these past few months.

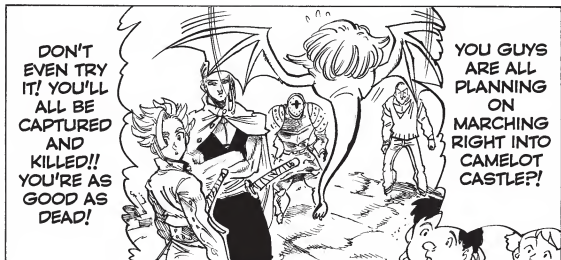

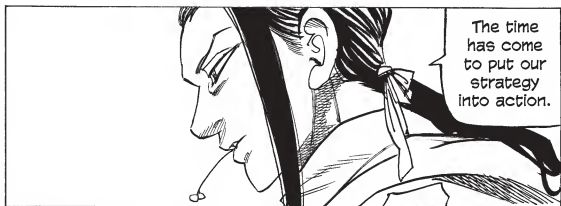

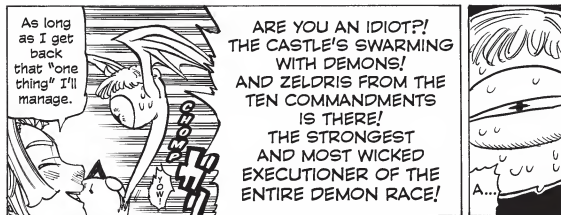

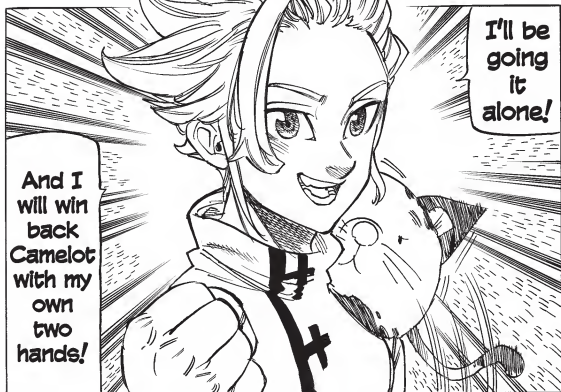

It appears the seal is weakening with each passing day.

Today alone, 55 beings crawled out of the hole.

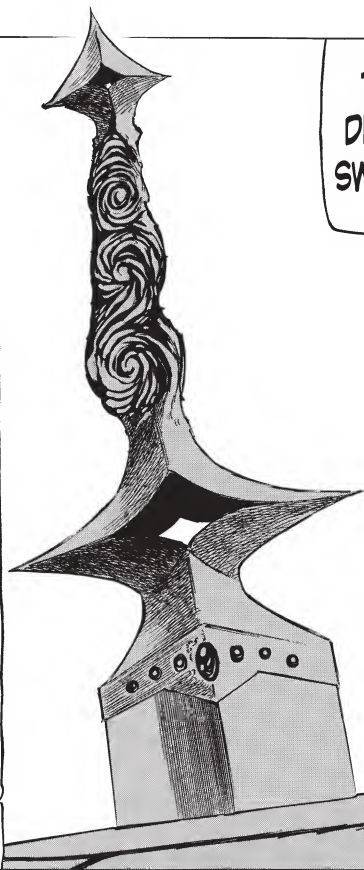

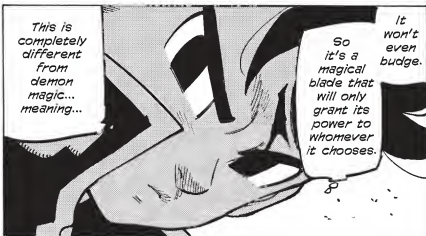

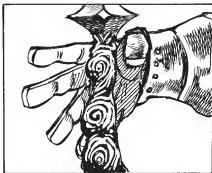

THE
DIVINE
SWORD.

EXCALIBUR!

And you still don't know who's responsible for it?!

...What? This time 100 have been killed?!

Enough. Be gone!

What a worthless lot!

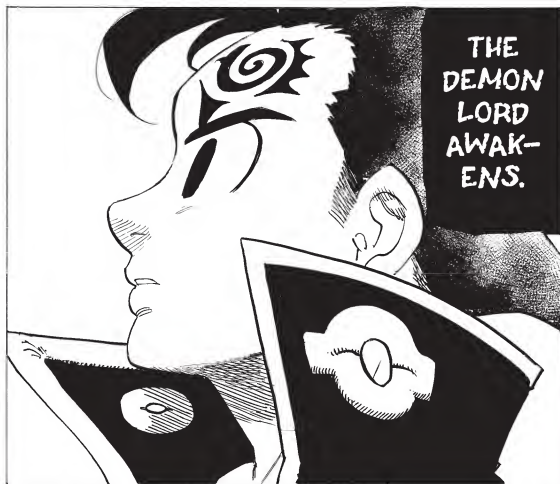

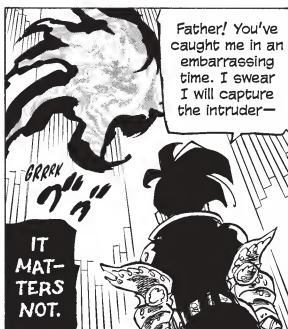

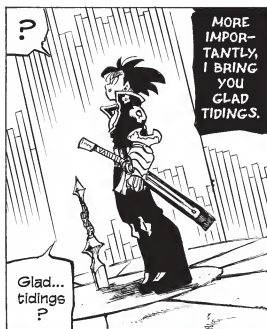

Hmph... I'll let whoever it is know firsthand just how foolish a move they're making.

For days now our kind has been plagued by sneak attacks made by some grim reaper we can't identify.

7!!
Wooo

IT IS NOT
ME...BUT
HE WHO
WAS FIRST
MEANT TO
SUCCEED ME.

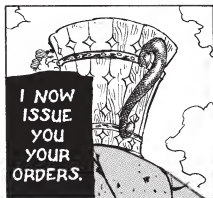

Father,
you will
awaken?!
But we
still need
time before
the seal is
lifted.

Wooooo
7!! 7!!...

You
can't
mean...
that
traitor
...?

...!!

I NOW
ISSUE
YOU
YOUR
ORDERS.

But...
that's
...!!

HA...HA...
DON'T SPEAK
LIKE THAT.
YOU WILL
WELCOME
YOUR BROTHER
AS THE NEW
KING.

To be Continued in Chapter 235 / "A New Threat"
